**Description: Sandoval on Trump: 'I'm not supporting him at this time'**

Nevada's governor said Monday he currently isn't supporting Republican presidential nominee Donald Trump.

Sandoval was in Stateline to celebrate the groundbreaking of the Tahoe Beach Club on Monday, Aug. 15 and told News 4's Melissa Matheney;

"I've talked at length ... about that,". "I'm not supporting him at this time, and I'll be watching to see what he has to say and do."

He added, "It's not news. I mean, there are things that he's said and done that I simply don't agree with."

Sandoval also issued a statement following that comment that said he has major concerns with the Republican nominee's "escalating tone and rhetoric."
